

## Turbidity Curtain Piling Attachment System

A Turbidity Curtain Piling Attachment System, also known as Piling Hoop, is ideal for **when there is a need to attach or anchor a Floating Turbidity Barrier to a piling**. Enviro-USA's Piling Hoops are ideal because they float up or down adjusting to the water level, thereby keeping the Floating Turbidity Curtain at the proper water level. We have different sizes, are economical and very easy to install.
